District Executive's Corner

On behalf of the entire District Committee we sincerely thank all of our many wonderful scouts and volunteers who make such a positive impact on our communities. We had a very fun Camporee this past month. Thank you for all the Troops that came out and allowed their scouts to put the Outing in Scouting!

Support Scouting and help develop our future leaders.

Many Thanks,

Alvin Phan

District Chair's Corner

"A Scout[er] is Helpful"

Several months ago my wife Sandy was talking to a friend of hers whose husband, Steve Hinds, was involved as the charter organization rep for a Cub Scout unit, Pack 676. He commented on how impressed he was with the Pack since they were "active" despite the restrictions on in-person meetings. This caught my interest because of the challenges many Cub Scout units had experienced adapting to an environment of virtual meetings, and my impression was that this group of Cub Scouts was actually thriving during this time.

My curiosity led me to contact the Cub Master and Committee Chair, **Stuart and Sharon Landau**, respectively, to gain an understanding of what they were doing to keep their Cub Scouts engaged, learning, and having fun. Stuart and Sharon utilize technology (Zoom) to show the Cubs how to complete a craft or other "crafty" activity, but Stuart also makes project kits for all of his Cub Scouts to work together under Stuart's virtual guidance. The kits are either dropped off at the homes of the Scouts or the parents of the Scouts pick them up from the Landau's home. The Scouts get to build something [almost every week], learn to follow instructions and develop a skill, and have a finished project that they made themselves. They also have a sense of accomplishment. And everyone does it together!

In addition, Stuart and Sharon have reached out to other Cub Scout units and offered to have them participate, enabling Cub Scouts outside their unit to be engaged in fun activities. The thing I noticed throughout the time Stuart and Sharon were speaking with me was the enthusiasm in their voices. I felt their genuine excitement to extend their hands beyond their own den. Their example of helping others to make "lemonade out lemons (that is what I call the Covid environment - lemons)" an example of how leadership makes a difference in the lives of others.

Cub Scouting, youth and adult volunteers alike, has been hit disproportionately hard by Covid, and all of the districts within Orange County have been negatively impacted with restrictions on recruiting, limits on activities, and retention of Scouts [and their parents]. Taking a cue from Stuart and Sharon Landau, take an

opportunity to see if you can offer to assist a Cub Scout unit, including partnering on activities (if approved by the charter organization and leaders). Your help might make a big difference in the life of a Scout.

Yours in Scouting,

Charlie Osaki

National Youth Leadership Training

National Youth Leadership Training (NYLT) is an exciting, 6-day, action-packed program designed for to provide youth members with a unified approach to develop proven leadership skills and experience they can use in their Boy Scout Troops, Venturing Crews, Sea Scout Ships, schools and the world beyond. NYLT integrates the best of modern leadership with the traditional strengths of Scouting. The NYLT course centers around the concepts of what a leader must BE, what they must KNOW, and what they must DO. The key skill based elements are then taught with a clear focus on HOW TO. The classroom skills come alive during the course's outdoor activities and graduating Leadership Challenge.

The event will be held at **Schoepe Scout Reservation at Lost Valley**. Registration <https://scoutingevent.com/039-NYLT2021#>

Camporee

A Return to “Normal” – by Charles Osaki

For the better part of six months, Dan Moran, Golden West District Camporee Chair, and Bruce Finnsson, Program Vice Chair, have been planning Camporee, which was held on Saturday, April 24th, at Oso Lake, one of four OCBSA camps, located in Rancho Santa Margarita. The last district-wide event was last fall when the district held “Camporall” at Oso Lake, also planned by Dan Moran.

Something was different about this Camporee. Dan

knew what could be executed safely for the Scouts and as for participation, we had 285 Scouts enrolled and a waitlist of “many.” There was little hesitation about executing this event as Orange County (and the rest of

California) was entering a lower tier of Covid restrictions. This clearly increased anticipation if not excitement. I was excited to see and listen to how our Scouting community would react to the day’s events.

I arrived at Oso Lake at Oso Lake around 7:30 am and what I immediately saw were teams of Scouts and adult leaders already setting up amongst chatter and smiles. And the smiles were not for the anticipation of the four donut boxes I was holding. Youth like being with each other - It’s part of their DNA. My goal was to visit every activity venue and talk to as many Scouts and adults as possible to try and gauge their feelings about the event.

Before the event officially started, I spoke with **Dan Moran** and asked him why he undertook the planning this type of event a second time. Dan replied,

“Everyone has been stuck at home for the better part of a year and for many Scouts, this may be their only outdoor activity. Giving them this one outdoor activity

is essential and even though my own kids are out of Scouting, I feel a high responsibility to give them the best experience possible.” After the opening flag ceremony (it was impressive to see the units all lined up), I around the campground, I noticed there were about 15 event sites: hospital stretcher race, first aid, water bucket brigade relay, fire starting & safety, “chuck box” and kitchen prep, tent set-up, lashings & knots, orienteering, archery range, tomahawk throw, and rifle range, to name a few.

At the “Chuck Box” and Kitchen Prep event station, I met **Michael Bremser**, Scoutmaster for Troop 657. I asked him why he invested the time to lead his unit. Michael replied, “I lead the Scouts but do not manage them. Like my role as the CEO of my company, I aim to make every Scout “better.” I see my role as a servant leader and like the Scouts, I want to keep learning. This uniqueness of this last year taught me a lot. Being here today is very important to all of us.”

I chatted with **Hanna**, a Scout in Troop 657 and asked her about her experience in Scouting and at the Camporee. Hanna noted, "My experience in Scouting has exceeded my expectations. Before Covid, I loved the outdoor activities and found the boys in the troop to be accepting. And I have made great friends in the troop, both girls and boys. So far, today has been really fun!"

Throughout the morning, I spoke with 73 Scouts (I'm a retired CPA, so I'm exacting) about how they felt about their experience at the Camporee, and 72 of them said virtually the same thing, "I'm having fun!" However, one Scout I met at the rifle range was more reflective about the whole experience. He said, "When you're inside so much, you're just not as healthy as you need to be. So, today has been great!"

It was pretty much a consensus on the success of the event. A "shout out" to **Dan Moran and Bruce Finnsson** for planning and hosting an *outstanding* event, and also to their SPL's, **Joseph and Mckayla**.

From what I observed and heard at Camporee, we have terrific adult leaders, engaged and motivated Scouts who can't wait to return to "normal." As we inch closer to this desired state of living, I know that Scouting in the Golden West District is in terrific hands.

Order of Arrow Sukamek Chapter

For those Cub Scout Packs and AOL Dens still looking at how to present the Arrow of Light Award and Cross Over in a virtual format, The Sukamek Chapter of the Order of the Arrow has put together a ceremony presentation video that they can present virtually. The video is seven and a half minutes long with a pause for the Pack to present the Arrow of Light Awards and another pause to allow the pack to announce the AOL Scouts who will be crossing over and their new unit.

The Chapter can also conduct the ceremony live in person for those Packs and AOL Dens looking for an in person ceremony.

To schedule and arrange the details for the ceremony - email sukamek.chief@wiatava.org.

The Sukamek Chapter would also like to visit each and every unit this year - in person or virtually at the choice of the unit. During these unit visits we will share the

Order of the Arrow Program, conduct a unit election for the eligible scouts, and promote camping. If your unit does not have any eligible scouts, we would still like to visit your unit to promote the OA and Camping. Each unit leader should have received an email from Wiatava Lodge with a personalized link to schedule a unit visitation/unit election. Each unit is strongly encouraged to have the Chapter Visit their Unit, even if the unit has no eligible scouts. We would like to promote the OA Program and Share the camping opportunities with each and every unit within our District

For 2021 the National Order of the Arrow has relaxed the requirement of having 1 long term camp within the last 24 months; Scouts will only need a total of 15 nights of camping in the 24 month period prior to your unit election.

Religious Emblems Program

Bryan on Scouting (Nov 2017) noted that religious emblems help connect young people deeply to their faith and encourage both youth and adults to grow stronger in their faith as part of the Scouting experience. Studies have shown that one of the benefits of earning a religious emblem is longevity in the Scouting program. Did you know that in 2017 three out of every four units was chartered by a religious organization? Earning a religious emblem could be a vital part of every unit. We, as adult leaders, can encourage our Scouts to earn the appropriate religious emblem of their faith, facilitate them in connecting with the appropriate religious leaders to work on the emblems and present the emblem, when earned, in an appropriate way. I encourage all units to set a goal of increasing the number of religious emblems earned by their Scouts. This could be one Scout or many Scouts. If religious emblems haven't been part of the culture of your unit, how about signing up to have a digital, virtual or in-person presentation on the religious emblems program. Contact Jeff Giacomi at jeffgiacomi@gmail.com for more information.

Spring Recruitment

Welcome!

Now is the time to be thinking about recruiting new Scouts for your unit. There are several easy steps that you can follow to have a successful Recruitment. They include the following:

- Select a Unit Recruitment Coordinator.
- Prepare a Unit flier and calendar.
- Connect with your District Membership Chair
- Email and post on Social Media the week before Recruitment Night.
- Email reminder and fliers a couple days before Recruitment Night.
- Get your volunteers lined up to help.
- Meet virtually for walk thru the day before Recruitment Night.
- Hold Recruitment Night.
- Collect paperwork and fees.
- Turn in applications and fees.

Eagle Palms Once a Scout has earned his Eagle Rank, he may receive his Palms for every 5 MB's over the 21 for Eagle. Example: A Scout earned 36 MB's at the time of earning Eagle Rank. He may receive a Bronze Palm, for 5, Gold Palm for 5, and a Silver Palm for 5, totaling 36 MB's. Following earning Eagle, every 3 months and 5 MB's he may receive an additional Palm, B,S,G, until their 18th Birthday. These may be presented at the Eagle Court of Honor.

Scoutbook New apps for your computer or Smartphone. App allows access to Units training, rosters, calendar, announcements, a link to BSA materials and commissioner tools. If you would like to try it, type "myscouting" in your device's app store.

Due to Units not processing achievements within a week of earning, i.e. Rank advancement or Merit Badges Earned, the National Database is not updated to reflect actual achievements. You may record a Scouts achievement in "Scoutbook" for Cub Scouts, or Advancement in "my.scouting.org".

To learn on your own how to use Scoutbook, go to Scoutbook.com and use your my.scouting.org username and password to log in. There are applications for every registered position in scouting, including parent, on how to use Scoutbook for the level of access you have based on your BSA position.

Training

New requirement from BSA is to have all Scouters trained in their registered position before Chartering for 2020.

We are currently at 81% Leader trained and 84% YPT trained in our district. If you are a registered adult, you must be trained whether as a committee member or Scoutmaster/assistant scoutmaster or cub leader, venturing leader, etc.. Everybody must be YPT trained:

- Please complete YPT even if it's not due for a few months. Please help the overload rush in the fall and winter. **YPT Training:** Visit my.scouting.org to logon and take your YPT training TODAY! After login, select **MENU, My TRAINING, Training Center, select your Program**, and training for your position.
- If you have incomplete training, you will need to restart with the new updated training at the national level. We will be updating our own District training videos to reflect those changes. Visit <https://training.scouting.org/catalog> (Login required) to view your program and position specific training.
- Every scout needs and deserves a trained adult leader. It is required and expected that you complete your specific leader training that you are willing to serve at. Thank you for all that you do to serve our youth.
- Here is the link for which training you need: <https://my.scouting.org/Documents/PositionTrainedCourses.pdf>

Pack and Troop Committee training - Cub Scout Leader training, and Boy Scout Leader Training may be done online at my.scouting.org;

Sign in; click on **Cub Scout Leader Training** Click here; sign in again; Scroll down to **CUB SCOUTING** and click on it; **SELECT A TRAINING PROGRAM**;

- All the DEN LEADER training is the same 22 modules.
- CUBMASTER has the same modules as the DEN LEADER plus eight more.
- PACK COMMITTEE TRAINING has the 22 modules of a different mix of the total 30 modules.

We are planning on putting on the 5 Leader Specific Training in a YouTube video with the most helpful Joe Lum. SM is 6 hours long in 3 segments, all others are 3 hours.

Merit Badge Counselor Training is now online at **My.Scouting.Org**. Our District Advancement Chair will get all our MBC's trained in that position. All MBC's are required to have a current YPT2 to registered in 2020.
