### District Chair's Corner

#### Essential Popcorn

To the adult leaders, friends of Scouting, and our Scouts, I have an important request of you. Before I make this request, I want to explain why I included the word, "essential" in the title of this article. In Webster's American dictionary, "essential" means to be vital, indispensable or crucial, amongst other descriptions; at a minimum, it means to be important. In this case, buying popcorn to support our Scouting program in Orange County is essential this year (more than any other time).

I do not make it a point to discuss the challenges of Scouting, only the great parts, but I owe it to all of our district members to be transparent and I will be so in this request I'm making to each of you.

Nonprofit organizations over the course of this pandemic have taken a big financial hit over the past 16 months, particularly membership organizations. And Scouting may have suffered more than most, even though it is driven by volunteers. Consider the following outcomes of this past year and a half for the Orange County Council:

- 50% of the professional staff have been cut (as of fall 2020) with the headcount cut from 58 to about 28

- Compliance with CDC guidelines reduced overnight camps to zero (0) capacity – they were closed
- Fundraising events including youth and adult recognition (i.e., Eagle Scout and Silver Beaver) were either cancelled or on-line.
- Friends of Scouting (FOS) presentations could not be presented to Scout units because of the ceasing of in-person meetings – maybe 7% of the units had a FOS presentation
- Popcorn sales season came and went with sales being about 2/3 of a “normal” year

The end result of the above experiences was that fundraising all but stopped for over a year and fundraising dollars were 10% or less than 2019 and several years before – *it was devastating*. You get the picture.

I am promoting popcorn sales as a critical fundraising opportunity because over **70% of the gross sales price will end up staying with the local council and units**. And these funds are used for camperships (no boy or girl should be left behind and unable to attend a summer camp), Council activity programs, youth dyad n overnight camp staff compensation, camp maintenance, and Council/District sponsored events (camper-all and camporee). I am often asked about the use of annual registration fees. Fair questions. These funds are used for things like national camp maintenance, updating guides and training literature, insurance, employee compensation (mostly local), and overall maintenance of the Council infrastructure.

Most, if not all, units will not be able to sell popcorn in-person because of CDC and OC Health Department guidelines: however, the introduction of a POPCORN SALE APP that every Scout can use makes popcorn purchases easy, secure, and fast. Here’s how it works:

- Identify a Scout who is selling popcorn
- Have the Scout text or email you the link to the manufacturer, Trail’s End
- Note that the Scout has their own account – you will see the Scout’s name
- SELECT and BUY popcorn
- Your order is delivered to you!  
**It’s that easy.**

I am not in a unit, so I asked a unit leader to have one of their Scouts contact me and I would buy popcorn from them. That same evening, a young Tender Foot ranked Scout texted me and now he has a \$100 sale to his credit

and this sale helped him contribute to Scouting and gain some confidence. ***I hope you will do the same.***

*Popcorn sales may seem trivial, but it isn’t, particularly during these next several years. Our Council, District, and units need your help more than ever and you buying popcorn, in any amount, will help grow the Scout and sustain Scouting.*

***Let’s support popcorn sales together.***

Charlie Osaki  
Chairman, Golden West District

## Day Camp

**Program Director, Ngan Ngo** and I wanted to send out a big THANK YOU to everyone who helped prepare for, market for, provide equipment for, and especially who helped on-site at Day Camp this year! **You guys are the best!**

We could not have pulled that off without your help. Nobody got hurt (too badly) and everyone seemed to have a great time. I've received several emails from parents saying their kids loved it and had a great time; and that's what it's all about! (and a few questions about a giant armadillo loose at camp 😊)

Below are the links for pictures taken by our wonderful Photographer, **Lan Nguyen**. They're awesome! I ask that if you repost any of them to not include any youth names.

Please enjoy the rest of your summer; you earned it!

## Camporall

### Golden West District Camporall

**October 8 – 10, 2021**

Oso Lake Scout Camp  
21131 Los Alisos Blvd,  
Rancho Santa Margarita, CA 92688

**Mark your calendars!**

Camporall is an outdoor activity program designed to aid in the Webelos-to-Scout Transition plan. The purpose of this outdoor experience is to create in all Webelos and Arrow of Light Scouts (Boys & Girls) a genuine desire to know more about Scouting, and through a fun-filled series of events to give them a preview of the thrills of scout skills. Probably nothing in the scouting program appeals to boys and girls more than the opportunity for adventure in the great outdoors. The Camporall event will expose the participants to glimpses of the fun and skills of Scouts BSA. It also offers an opportunity for parents to gain a perspective on troop programming and the opportunity to “graduate” along with their sons or daughters. We will have a wide range of fun activities for the Webelos and AOL Scouts to participate in including all of the usual favorites and some really fun activities as well.

- **Trivia Games** (Scouting Adventure & Looking Back, Looking Forward)
- **Fire Building** (Castaway)
- **Knots Competition** (Scouting Adventure)
- **Tent Building Competition**
- **Flag Ceremony**
- **Nature Hike** (Into the Woods)
- **Outdoor Survival** (Castaway & Outdoor Adventurer)
- **First Aid Competition**
- **Cooking and More!**

The goal of this event is two-fold. First, BSA Troops from the Golden West District will be demonstrating some of the critical scout skills that BSA teaches. We want to give a glimpse of the fun and adventure that await your scout in their future Troop! Additionally, we will be tailoring some of the activities to assist Den Leaders in completing many of the requirements for Arrow of Light.

More details will be discussed at Roundtable this week.

## Day of Service Saturday, November 6, 2021

### DOS Patch Design Contest – Due 8.31.2021

Everyone is invited to submit artwork to be considered for our Day of Service 2021 patches. The patch will be worn and displayed by OCBSA members that participate in our annual Day of Service on November 6, 2021.

More info will be posted on the Golden West District Website.

## Order of Arrow Sukamek Chapter

**OA 2021 Unit Visitations** - We are still looking to schedule visits with 24 units.

- New portal to schedule visitations. All Unit Leaders should have received an email with information and a personalized link to schedule their unit's visitation.
- Unit Visitations can be conducted either in person or virtually at the desire of the units
- Each unit is strongly encouraged to have the Chapter Visit their Unit, even if the unit has no eligible scouts. We would like to promote the OA Program and Share the camping opportunities with each and every unit within our District

### **Modified Camping Requirements for 2021 Election Cycle**

- The nights camped to be eligible to become a candidate for the Order of the Arrow remain at 15 nights within the last 24 months prior to your election date, however for this year
- the requirement that 5 of the 15 nights must be a long-term camp has been relaxed. Meaning that if a Scout has completed 15 nights camping in only short term camps within the 24 months leading up to the unit's election, he or she is eligible to become a candidate of the Order of the Arrow.

### **Ordeals and Brotherhood Events**

- Ordeals are NO longer single day events. We have returned to having the overnight component.
- The next Ordeal/Brotherhood Events will be August 20-21 weekend at IROEC and October 15-16 weekend (TBD)
- 20 elected youth from 2021 still need to complete their Ordeal

- 22 - 2020 elected youth are still eligible to complete their Ordeal

Meeting at Holy Cross 3rd Thursdays at 7:30 PM

## Religious Emblems Program

Bryan on Scouting (Nov 2017) noted that religious emblems help connect young people deeply to their faith and encourage both youth and adults to grow stronger in their faith as part of the Scouting experience. Studies have shown that one of the benefits of earning a religious emblem is longevity in the Scouting program. Did you know that in 2017 three out of every four units was chartered by a religious organization? Earning a religious emblem could be a vital part of every unit. We, as adult leaders, can encourage our Scouts to earn the appropriate religious emblem of their faith, facilitate them in connecting with the appropriate religious leaders to work on the emblems and present the emblem, when earned, in an appropriate way. I encourage all units to set a goal of increasing the number of religious emblems earned by their Scouts. This could be one Scout or many Scouts. If religious emblems haven't been part of the culture of your unit, how about signing up to have a digital, virtual or in-person presentation on the religious emblems program. Contact Jeff Giacomi at [jeffgiacomi@gmail.com](mailto:jeffgiacomi@gmail.com) for more information.

- Email and post on Social Media the week before Recruitment Night.
- Email reminder and fliers a couple days before Recruitment Night.
- Get your volunteers lined up to help.
- Meet virtually for walk thru the day before Recruitment Night.
- Hold Recruitment Night.

- Collect paperwork and fees.
- Turn in applications and fees.

**Eagle Palms** Once a Scout has earned his Eagle Rank, he may receive his Palms for every 5 MB's over the 21 for Eagle. Example: A Scout earned 36 MB's at the time of earning Eagle Rank. He may receive a Bronze Palm, for 5, Gold Palm for 5, and a Silver Palm for 5, totaling 36 MB's. Following earning Eagle, every 3 months and 5 MB's he may receive an additional Palm, B,S,G, until their 18<sup>th</sup> Birthday. These may be presented at the Eagle Court of Honor.

**Scoutbook** New apps for your computer or Smartphone. App allows access to Units training, rosters, calendar, announcements, a link to BSA materials and commissioner tools. If you would like to try it, type "myscouting" in your device's app store.

Due to Units not processing achievements within a week of earning, i.e. Rank advancement or Merit Badges Earned, the National Database is not updated to reflect actual achievements. You may record a Scouts achievement in "Scoutbook" for Cub Scouts, or Advancement in "my.scouting.org".

To learn on your own how to use Scoutbook, go to Scoutbook.com and use your my.scouting.org username and password to log in. There are applications for every registered position in scouting, including parent, on how to use Scoutbook for the level of access you have based on your BSA position.

**Training**

New requirement from BSA is to have all Scouters trained in their registered position before Chartering for 2020.

We are currently at 81% Leader trained and 95% YPT trained in our district. If you are a registered adult, you must be trained whether as a committee member or Scoutmaster/assistant scoutmaster or cub leader, venturing leader, etc.. Everybody must be YPT trained:

- Please complete YPT even if it's not due for a few months. Please help the overload rush in the fall and winter. **YPT Training:** Visit [my.scouting.org](http://my.scouting.org) to logon and take your YPT training TODAY! After login, select **MENU, My TRAINING, Training Center, select your Program,** and training for your position.
- If you have incomplete training, you will need to restart with the new updated training at the national level. We will be updating our own District training videos to reflect those changes. **Visit**

<https://training.scouting.org/catalog> (Login required) to view your program and position specific training.

- Every scout needs and deserves a trained adult leader. It is required and expected that you complete your specific leader training that you are willing to serve at. Thank you for all that you do to serve our youth.
- Here is the link for which training you need: <https://my.scouting.org/Documents/PositionTrainedCourses.pdf>

Pack and Troop Committee training - Cub Scout Leader training, and Boy Scout Leader Training may be done online at [my.scouting.org](http://my.scouting.org);
